TOGETHER WE CAN CONQUER CANCER IN OUR LIFETIME!

Please support me in The Shoppers Drug Mart® OneWalk to Conquer Cancer benefiting Princess Margaret Cancer Centre.

On September 12, 2015, I will join thousands on a 25 km walk through the streets of Toronto, united, in a powerful movement to conquer ALL cancers. Every dollar I raise will directly impact the lives of people living with cancer, their families - and those yet to be diagnosed.

Please help me provide groundbreaking research, treatment and support to those in need throughout the community and across the country. Sponsor me with a generous donation and help us conquer cancer in our lifetime!
