WORKPLACE GIVING CAMPAIGN

Many Walkers don't realize that their Workplace Giving Campaign donations can be directed to The Shoppers Drug Mart OneWalk™ to Conquer Cancer benefiting Princess Margaret Cancer Centre. These directed OneWalk funds can be used to sponsor a registered walker – a friend, a colleague, or yourself.

If you choose to donate through your Workplace Giving Campaign, please be very clear and identify the **Charity Name, Walker First and Last Name and the Walker's Participant ID** all in the one line titled Charity Name within the form.

It is also important to note that your Workplace Giving Campaign may only disperse donations on a quarterly basis, therefore, it could take a few months for your donations to reach Princess Margaret Cancer Centre and your Walker.

For more information on how you may direct your donations, please contact your Workplace Giving Campaign leaders.
